Due to this the PE CO made me take off all of my clothing and spread my Butt cheeks. they gave me 30th days Due to two misconduct and two Hearing committee actions. Giving me double sanctions for the same thing. so for 30th days I did not get my clothing. | Staff Member's Version: On the above date and approximate time this reporting officer conducted medication pass on the unit. Inmate McCarrell came out without his green shirt for meds. I ordered him to put on his uniform shirt for meds. He refused. He stated he 'wanted off the unit, call the refusal'. I tried to de-escalate the situation, telling him to grab his shirt, get his meds, the issue at hand would be resolved. He again refused. When the last inmate went in from med pass, I called the refusal to lock in. Officers and CRU responded. He refused to cuff up and lock into his cell, actively resisting responding officers. He was taken to the ground where he continued resisting. Taser deployment occurred, and inmate McCarrell eventually complied. | | | | | | | |

| Staff Member's Version: On the above date and approximate time, I, Operator Gamboa responded to unit 3B due to a refusal to lock in called over the radio. When I arrived, I witnessed Inmate ANTWAN McCarrell sitting on a chair in front of the officer's desk. I told inmate to stand up and placed his hands behind his back. Inmate did not comply with my order, so I grabbed his left arm and was able to place that wrist in a handcuff. Inmate McCarrell then began to actively resist so I performed a leg sweep to take him to the ground. It should be noted that due to Inmate McCarrell actively resisting it caused this reporting CRU Operator to sustain a left-hand injury. (Reference to submitted Accident report, filed on 7/22/2024) Once on the ground I asked Officer Gilliland to handcuff Inmate McCarrell due to me sustaining an immediate hand injury. I then relieved a responding officer of securing Inmate McCarrell's Legs. Inmate McCarrell was then escorted by me and responding staff to unit 5B to be medically cleared. | | | | | | | |
| Immediate Action Taken: Inmate is now housed on RHU status pending hearing on unit 8E. | | | | | | | |
